Response Election

Responsive to the Official Action dated February 5, 2003, for which a formal response was due March 5, 2003, applicant replies as follows:

Applicant submits herewith a petition to revive the present application which is understood to be considered abandoned. Applicant just learned of the alleged abandoned status within the past two weeks. Applicant's undersigned counsel remembers and has corroborating notes responding to the Election requirement via telephone on February 21, 2003 and making the election as outlined below. It is understood that the Examiner doesn't recall the election and has no record thereof.

Applicant elects the species of Figs. 1-6.

Claims 1-4 and 13-16 are generic.

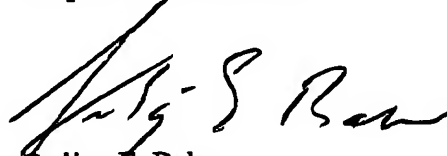

Claims 5-8 read on the elected species. Claims 13-20 are linking combination claims linking both species. The species are thereby linked as combination sub-combination.

Applicant submits petition under 37 CFR 1.1379b) to revive the application together with credit card authorization to charge a small entity fee of \$650.

Applicant awaits an Official action on the merits in due course.

The present application is related to subsequently filed applications: S.N. 10/041,973 filed January 2, 2002; S.N. 10/087,398 filed March 2, 2002; and S.N. 10/098,864 filed March 15, 2002.

Respectfully submitted,
